

that in a way, that in this strange
 world of ours, I begin and end of things
 in what is to be thought of thought.
 This is an ordinary, that most things

in that, in the way of being and see
 what is to be thought of thought.
 This is an ordinary, that most things

The way in which the world is made
 in what is to be thought of thought.
 This is an ordinary, that most things

in that, in the way of being and see
 what is to be thought of thought.
 This is an ordinary, that most things

that in a way, that in this strange
 world of ours, I begin and end of things
 in what is to be thought of thought.
 This is an ordinary, that most things

in that, in the way of being and see
 what is to be thought of thought.
 This is an ordinary, that most things

The way in which the world is made
 in what is to be thought of thought.
 This is an ordinary, that most things

in that, in the way of being and see
 what is to be thought of thought.
 This is an ordinary, that most things

Aeterne pungit cito volat et occidit

that in a way, that in this strange
 world of ours, I begin and end of things
 in what is to be thought of thought.
 This is an ordinary, that most things

in that, in the way of being and see
 what is to be thought of thought.
 This is an ordinary, that most things

The way in which the world is made
 in what is to be thought of thought.
 This is an ordinary, that most things

in that, in the way of being and see
 what is to be thought of thought.
 This is an ordinary, that most things

that in a way, that in this strange
 world of ours, I begin and end of things
 in what is to be thought of thought.
 This is an ordinary, that most things

in that, in the way of being and see
 what is to be thought of thought.
 This is an ordinary, that most things

The way in which the world is made
 in what is to be thought of thought.
 This is an ordinary, that most things

in that, in the way of being and see
 what is to be thought of thought.
 This is an ordinary, that most things
