**ARTEXTE** est un organisme sans but lucratif (fondé en 1980) voué à la collecte et à la diffusion de l'information concernant tous les aspects des arts visuels actuels au Canada, en Europe et aux États-Unis.

Ses activités se partagent en quatre secteurs. La **LIBRAIRIE** offre un vaste choix de publications en art actuel : catalogues d'exposition, livres théoriques, publications indépendantes et revues. Le **CENTRE DE DOCUMENTATION** est un lieu idéal pour la recherche, particulièrement sur l'art canadien actuel. Il contient des dossiers sur des artistes, des institutions, des événements et des sujets reliés aux arts visuels, en plus de séries complètes de revues d'art publiées depuis 1980. Artexte travaille à la création d'une base de données informatisée à partir des documents contenus dans le centre de documentation. Grâce au *Catalogue des catalogues en art contemporain* le **SERVICE DE DISTRIBUTION** donne aux institutions et au public de l'extérieur de Montréal la possibilité de commander les publications en vente chez Artexte. Artexte comprend aussi un service de **PRODUCTION DE PUBLICATIONS** telles des monographies, catalogues et livres d'artistes.

On peut devenir AMI(E) d'**ARTEXTE** et profiter de ce fait d'une réduction de 10% sur les achats en librairie, de prix spéciaux sur les publications d'Artexte, de l'accès à la base de données du centre de documentation, en plus d'être inscrit sur la liste d'envoi.

Cotisation annuelle:  
individus: 10\$  
bienfaiteurs: 50\$ et plus  
institutions: 150\$ et plus

Les dons de plus de 10\$  
des individus et de 150\$  
des institutions donnent  
droit à des reçus d'impôt.

**ART**

Artexte is a non-profit organization established in 1980, dedicated to the collection and distribution of information on all aspects of contemporary visual arts in Canada and abroad.

Artexte encompasses four areas of activity. The BOOKSTORE carries a wide variety of contemporary art publications including exhibition catalogues, theory books, independent publications and over 100 magazines and journals. The DOCUMENTATION CENTRE is a valuable resource centre for consultation and research, particularly on Canadian art, and contains dossiers on artists, institutions, events and thematic subjects, as well as current and back issues of many magazines. We are in the process of creating a computerized database for indepth research of this archival material. The DISTRIBUTION SERVICE, with the aid of the *Catalogue of Catalogues on Contemporary Art*, provides institutions and out-of-town clients with access to the largest and most complete selection of Canadian exhibition catalogues on contemporary art. Finally, Artexte has a PRODUCTION SERVICE for the publication of catalogues, books and artists' books.

We welcome you to become a FRIEND of Artexte. Benefits include a 10% discount on purchases in the bookstore, special prices on all Artexte publications, access to the computerized database of the documentation centre and all our mailings.
