**ARTEXTE** est un organisme sans but lucratif qui, depuis sa création en octobre 1980, a pour mandat de réunir et de diffuser l'information concernant tous les aspects des arts visuels contemporains. Le double objectif de l'organisme est de procéder à la collecte d'information sur l'art contemporain québécois, canadien et international et d'offrir l'accès à cette information à l'intérieur comme à l'extérieur du Canada. Depuis 1986, Artexte a acquis le statut d'organisme de soutien national aux arts visuels.

Ses activités se partagent en quatre secteurs. La LIBRAIRIE offre un vaste choix de publications en art actuel: catalogues d'exposition, livres théoriques, publications indépendantes et revues. Le CENTRE DE DOCUMENTATION est un lieu idéal pour la recherche, particulièrement sur l'art canadien actuel. Il contient des dossiers sur des artistes, des institutions, des événements et des sujets reliés aux arts visuels, en plus de séries complètes de revues d'art publiées depuis 1980. Artexte travaille à la création d'une base de données informatisée à partir des documents contenus dans le centre de documentation. Grâce au Catalogue des catalogues en art contemporain le SERVICE DE DISTRIBUTION offre aux institutions et au public de l'extérieur de Montréal la possibilité de commander les publications en vente chez Artexte. Le service d'édition ARTEXTES est consacré à la publication et à la production de livres d'artistes, catalogues d'exposition et livres théoriques.

On peut devenir AMI(E) d'ARTEXTE et profiter de ce fait d'une réduction de 10% sur les achats en librairie, de prix spéciaux sur les publications d'ARTEXTES, de l'accès à la base de données du centre de documentation, en plus d'être inscrit sur la liste d'envoi.

Founded in October 1980, ARTEXTE is a non-profit organization, dedicated to the collection and diffusion of information on all aspects of contemporary visual arts. The twofold objective of the organization is to collect information on contemporary Quebec, Canadian and international art and to provide access to this information both in Canada and abroad. In 1986 Artexte acquired the status of national service organization for the visual arts.

Artexte encompasses four areas of activity. The BOOKSTORE carries a wide variety of contemporary art publications including exhibition catalogues, theory books, independent publications and over 100 magazines and journals. The DOCUMENTATION CENTRE is a valuable resource centre for consultation and research, particularly on Canadian art, and contains dossiers on artists, institutions, events and thematic subjects, as well as current and back issues of many magazines. We are in the process of creating a computerized database for indepth research of this archival material. The DISTRIBUTION SERVICE, with the aid of the Catalogue of Catalogues on Contemporary Art, provides institutions and out-of-town clients with access to the largest and most complete selection of Canadian exhibition catalogues on contemporary art. Finally, the publication service, ARTEXTES, is dedicated to the publication and production of artists' books, exhibition catalogues and theoretical books.

We invite you to become a FRIEND of Artexte. Benefits include a 10% discount on purchases in the bookstore, special prices on all ARTEXTES publications, access to the computerized database of the documentation centre, and all our mailings.
